PUBLISHED BY THE SENIOR CLASS
OF 1958
ARCOLA COMMUNITY HIGH SCHOOL DISTRICT #306

DEDICATION

We, the Seniors of Arcola High School, Class of '58, do hereby dedicate our annual to our athletic teams. It is with deepest respect and appreciation that we do so. The football team distinguished itself by winning the conference championship, undefeated. The basketball team especially distinguished itself by being the first team in thirty-one years to win the undisputed Okaw Valley Championship. In addition to this they also won the Monticello Holiday Tournament, and second in the Okaw Valley Tournament. They became the first team in the history of Arcola High to win the undisputed Okaw Valley Conference Championship, first in the Regional Tournament, first in the Sectional Tournament, and twenty-seven undefeated games. Please accept the dedication of our annual as an expression of our loyalty to you and the appreciation of a job well done.

*Sincerely,
The Torch Staff*

OUR SUPERINTENDENT

May your repeated examination of this book continuously remind you - until you never forget - that "We are not here to dream, to drift. We have hard work to do and loads to lift. Be strong".

It is my hope for you that your high school days may have been filled with those joys of activity, friendship, and endeavor that make life wholesome. But I also know that these days have given you a certain high resolve to order your life for the benefit of others, for such a plan is the only one known to provide happiness which will last.

OUR PRINCIPAL

Congratulations to the class of 1958 for your issue of the Torch and upon your success in completing the requirements for graduation.

I hope that the knowledge, skills and attitudes you have developed during your school years prove adequate to meet all future challenges and that you look back upon high school as a very valuable, happy and satisfying period in your life. We have tried to make it so, but our success will be determined by what you make of your future.

It has been a pleasure to work with each one of you even though we have not been in agreement at all times. Good luck to each of you.

SENIOR POEM

Max Carey is nick-named "Hugh";
There's not a thing he wouldn't do;
He even tries to leave the school,
But, unfortunately, Mr. Butler is no fool!

Janet Cook, whose nick-name is "Cookie",
Has never been caught while playing hookie;
She's a friend when it comes to cokes,
And she's pretty good at telling jokes.

Big Jan is the Teen Queen's boss,
When it comes to words, she's never at a loss;
She does the mambo, the be-bop too;
There isn't a dance that she can't do.

Chlora is the All-Okaw Queen;
With Big Ed, she's often seen;
She plays her clarinet in the band,
Her pretty smile is always in demand.

Ed Harshbarger is a real sport;
He does really well on the basketball court.
When it comes to girls, he's had only one;
That's Chlora-Burger; He's missed all the fun!

Jim Clark runs the six-minute mile;
He's always seen with his winning smile.
When the going gets rough, He's at his best;
He goes with a girl who lives over West.

Linda Connor is a brain;
She's often seen in Champaign.
While in the school, she's very quiet,
But out of school, she is a riot.

Chuck Anderson is a real gone lad
When it comes to cars he's not half-bad;
First it was bicycles, but that wasn't enough;
Now it is cars, and he's playing rough.

A gal who just can't eat her dinner,
Stays small, just as small as can be;
Makes trips to Mattoon very often;
A boy there for Miss Charlotte Key?

Kay Clark is our pert, pretty red-head,
Though black she'd prefer it to be;
Her blue eyes and snow-white complexion
Are really quite something to see.

There's a boy in our class, his name is "Weeds";
Though he doesn't do too many good deeds,
We like him just the same.
Big Ron Wierman is his name.

Now radios, T.V.'s and cameras,
 All sound like they're hard to learn;
 Not so for our handy-man "Corny";
 Our "Learn on the job" Larry Kearns.

So quiet one would scarcely know
 That he's in class or hall;
 A trim and tidy "Nay-Nay",
 Our Alden's liked by all.

Connie Johns really enjoys
 The friendship of the Arcola boys;
 Connie is a whiz in typing,
 And dancing is to her liking.

A genial guy who makes us laugh
 And racing wants to try,
 Works hard and long with tools and things;
 He's Larry Shafer-- quite a guy!

Basketball, football, track, or girls,
 This lad has ways to thrill;
 A hep-cat dancer-- any beat,
 Lyle Johns fills the bill.

A shy little friend whom we all know,
 Virginia Franklin by name,
 Has drawing as one of her hobbies;
 We'd like it to lead her to fame.

Norman Strader made the field goal kick,
 In his work he's never licked.
 Successful farming is his dream,
 On others he will never lean.

We know a girl named Patty Jo;
 She is always on the go;
 She seldom ever stops to rest;
 And she is usually at her best.

Nellie Perkins is the quiet type,
 You'll never hear her complain or gripe.
 She helps to make the class a scream,
 She has no time to sit and dream.

Now Marion Cothron's so handsome,
 By some girl he's already caged!
 He went to a small town called Atwood,
 And got himself neatly engaged.

Pat Monahan's wit is a sharp one;
 He "digs" us quite often and well;
 As editor, basketball hero,
 He finds it a cinch to excel.

A talented gal from the country
 Is pianist Dorothy Wood;
 In music or books of what-have-you,
 This student is equally good.

A brown-eyed Herrington named Georgia,
 With short and brown hair;
 Has pleasant smiles and manners
 For all of us to share.

A roar and a flash and a dust-cloud,
 "Red" Wilson goes driving again!
 He likes best the road to Tuscola,
 And for a young miss has a yen.

In bookkeeping class, Susan Tefft's a whiz;
 She's smarter than the rest, that is.
 She works on the Torch, Arco-Lite, and such;
 For our Senior Class, she has done much.

There is a boy in our class, his name is Beyers;
 He's got a hot car, and he squeals its tires.
 When it comes to girls, Bill likes to go steady;
 He is widely known as "Old Rough and Ready."

A job to do? Get Wightman--
 She's ready, willing, and able.
 Our Leah is full of talent,
 Reliable and stable.

As athletic star, typist or friend,
 Our Rosalie Murphy is tops;
 We send to her our best regards
 And luck--we send her lots.

A friendly young squirt whom we all like
 Is little and gay Russell Moore.
 He's "Mo" to his friends; by his teachers
 He's sometimes quite hard to endure.

SENIOR CLASS PROPHECY

It is the year 1968. We are in Reno, Nevada at the million dollar mansion of Mr. and Mrs. Charles Harshbarger Jr. Mrs. Harshbarger is the former Miss Chlora Chapman. Mr. and Mrs. Harshbarger are staging the 10th reunion of their graduating class of 1958, of Arcola, High School, in Arcola, Illinois.

The guests are to arrive by 9:30. The time is now 9:00 and the butler and the maid, who were the former class sponsors and teachers of the soon to be re-united class, Mr. Thomas Butler, and Miss Carolyn Jokisch, are rushing around making all of the last minute preparations.

The time ticks by, and just as the \$300 Cuckoo Clock cuckoos 9:30 Mr. and Mrs. Harshbarger take their place in the lavishly decorated front hall to greet their guests and welcome them into their home.

The doorbell rings, and Thomas, the butler, announces the arrival of the first guest, Miss Dorothy Wood and her escort, "His Honor", Patrick Monahan. Miss Wood is an atomic scientist, doing important research on atomic missiles. "His Honor", "Pat," is the mayor of Las Vegas, Nevada.

While the two couples are renewing old friendships, the butler answers the doorbell and announces the arrival of five lovely young ladies, once known as the "Teen Queens". They met back east in Chicago, Illinois and made their trip to Reno together. Mrs. Harshbarger and Miss Wood were also a part of this group, when it was famous in Arcola. The members of this group have all gone their separate ways, but, they keep in touch, when they are not too busy with their own schedules.

Upon analyzing this group, we find that the soloist, Miss "Jan" Clark, has carried her early start in music right into her career; she is now starring at the "Blue Angel", one of New York's most famous night clubs.

Other members of this group are Kay Clark and Janet Cook, more commonly known to their friends as "Kaysie" and "Cookie". They both teach school in their home state of Illinois. It seems that they are going to be the traditional "old maid school teachers," as they are both still referred to as "Miss".

The last members of this group are Miss Georgia Herrington and Miss Connie Johns. Georgia is quite famous for her figure, talent, personality and looks. She has won the "Miss America" beauty contest and various other less important titles. She is also well known as a model, both in exclusive fashion shops in Chicago, and on magazine covers. Connie is a hair stylist in St. Louis, Missouri. While these guests are getting settled, more guests are drifting in.

Being announced at this time are Don Wilson and Marion Cothron. They have done quite well for themselves. They have a co-ownership in a prosperous filling station-garage in Arcola.

The maid is starting to serve cocktails to the guests while others gather around the fireplace, the piano, and the beautiful coffee table in the center of the room.

The noisiest group consists of all men and they are grouped in one corner of the room discussing the old days, when they were seniors at A. H. S. They laugh about things they did in class to drive the teachers mad and things they did after class, just for "kicks".

In this group we find Bill Beyers, Norman Strader, Larry Shafer, and Jim Clark, all prosperous Illinois farmers, and "Weeds" Wierman, a mechanic in a garage in Wyoming.

In another group we find Virginia Franklin, Charlotte Key, Nellie Perkins, and Patty Ellison, comparing notes on the air transportation, as they are all associated with airlines.

Above the noise of many people talking we hear the roar of racing cars. No sooner is it quiet than in stroll "Bo" Anderson and "Moe" Moore. These two live by the code of a fast car. "Bo" is a sports car driver and "Moe" doesn't do much of anything if he can get out of it.

All members of the class of "58" are here but two. Ellen Cunningham and Susie Tefft. Susie won't be able to make it as she is a foreign correspondent, and Ellen Kaye is late as usual. She is a journalist in Florida.

Our Chicago, Illinois career women, Linda Connors and Leah Wightman, are chatting with Alden Nay, the president of a large corporation in New York, Rosalie Murphy and Larry Kearnes are also here. Larry is a TV cameraman for CBS Television in New York and Rosalie is married to a very nice salesman, from Oklahoma.

The two clean cut gentlemen are Doug Mulliken and Lyle Johns. Doug is the owner of several large gambling casinos and Lyle is a card-shark.

There is the doorbell. Ellen Kaye has finally made it!

Now that everyone is present, the group reminisce's by singing their Senior song to the tune of "Garden of Eden" and "Bo" Anderson gives his well-known imitation of "Elvis" and his "Hound Dog". No one notices the time until the cuckoo cuckoos 5:00 AM, and all the guests are shown to their sleeping quarters.

As they go, good nights are said and the tired but happy friends retire for the night.

The has been good for reminiscing, but the future is sure to hold many new experiences for one and all.

CLASS SONG

The Halls of A.H.S.
(Tune: "Garden of Eden")

When we walk through the halls, of A.H.S.
With a down-hearted look, that you won't forget;
Then you'll know that we're thinking, of years
gone by,
When we were greenies, at Arcola High.

When you're yearnin' for friendship, that you'll
never forget,

Remember you found it, at A.H.S.;

They're loyal and true there, and you're never
blue there,

When you went to school there, at Arcola High.

When we walk through the halls, of A.H.S.,

With a down-hearted look that you won't forget;

We're remembering the good times, when you gave us
the best,

And we're glad to have been here, at A.H.S.

CLASS HISTORY

In the fall of 1954, Arcola High was blessed with the arrival of 52 green freshmen. There never was a greener bunch, but we entered with a wish for growth and learning. As our class officers, we chose Lyle Johns Pres., Norman Strader Vice-Pres., and Sharon Bennett Sec-Treas. Ed Harshbarger and Georgia Herrington were our representatives to the Student Council. We chose pink and black as our class colors and the pink rose as the class flower. When Homecoming time rolled around, we were all enthusiastic about our first dance. Connie Johns was elected the Queen's attendant; Doug Mullikin was her escort. Our float, "They Can't Stand the Pressure" won second prize. Our first semester exam was something we'll never forget. As the year moved on, we became more familiar with high school life. We looked forward to the time when we would become Silly Sophomores.

Forty-seven of us managed to walk through the doors of A. H.S. as sophomores. Our class officers were Lyle Johns Pres., Norman Strader Vice-Pres., Dorothy Wood Sec., and Jim Clark Treas. Our float again won second prize with the theme of -- "Canoe Beatum, Oar Not." Shirley McNary was our attendant; Lyle Johns was her escort. We spent the year thinking up money making projects for future years. A short period of time separated us from the status of upperclassmen.

Our number had diminished to 43 when the Junior Class returned to the "salt mines" to start our reign as upperclassmen. Our class officers for that year were Pat Monahan Pres., Jim Clark Vice-Pres., Chlora Chapman Sec., and Doug Mullikin Treas. To mark us as upperclassmen, we chose a class ring which we thought was "Out of this world!" The price tag proved this assumption to be true. Our Homecoming attendant was Georgia Herrington and Ed Harshbarger was her escort. Our float, "We'll Root 'Em Up" failed to win anything. Our "nest egg" for our Senior Trip, next year, was enlarged by income from our magazine sales, concessions from the Okaw Tourney and our class play "No Boys Allowed" which won us recognition as superb actors and actresses when under tear gas pressure.

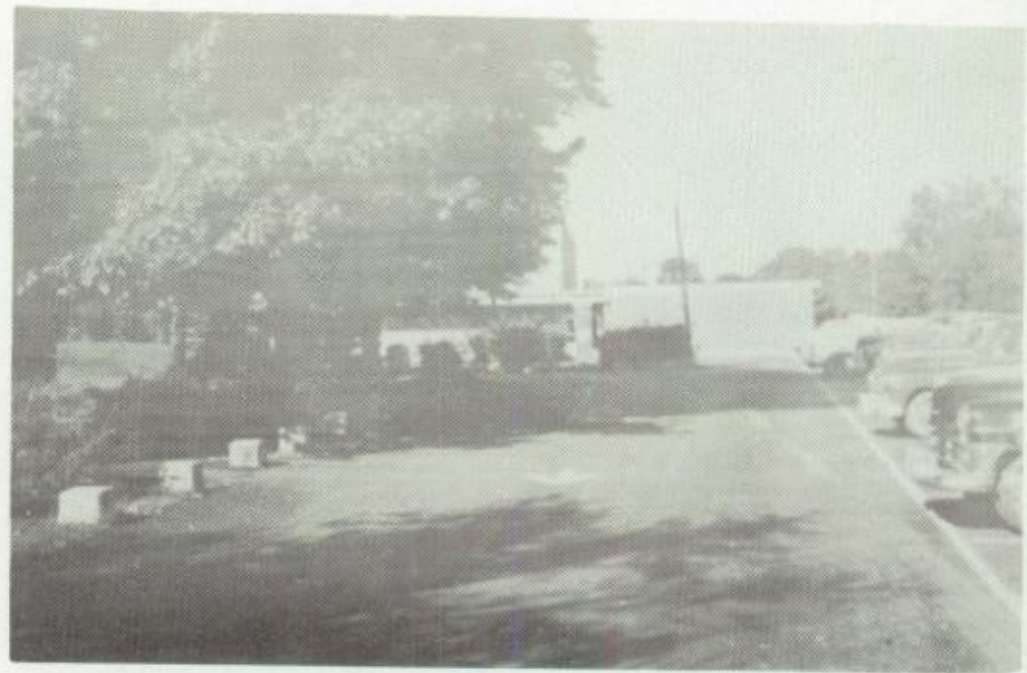

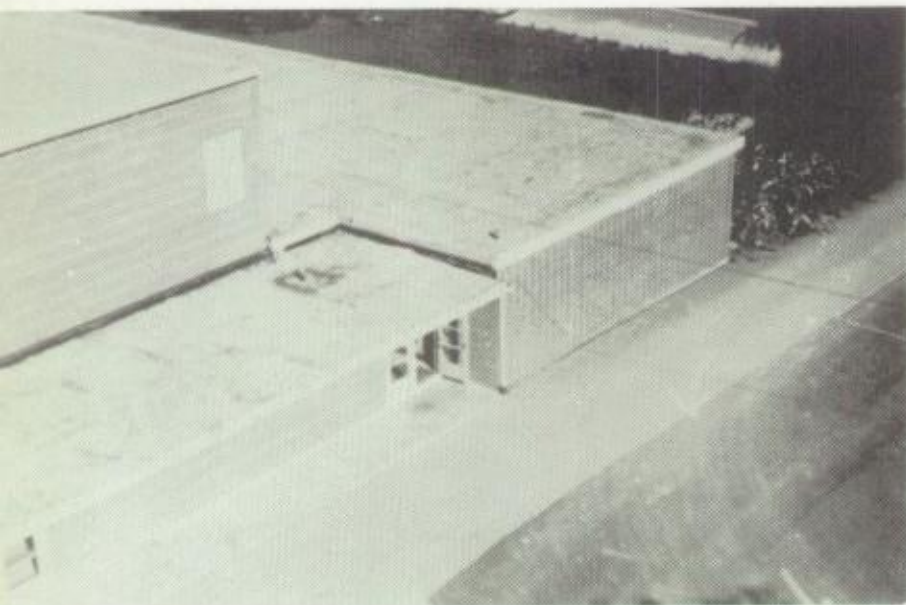

In the fall of '57, 34 of us entered A.H.S. with much enthusiasm. Our last year, we intended to make it a memorable one. We chose for class officers Jim Clark Pres., Georgia Herrington Vice-Pres., Bill Beyers Sec., and Linda Connor Treas. We immediately started plans for our Senior Trip. We decided to go to New York City. Our mailbox campaign was one of our projects for raising money to make the trip possible. Georgia Herrington was elected Queen for the 1957 Homecoming Festivities. Janice Clark was chosen as her attendant. Their escorts were the football co-captains, Jim Clark and Ed Harshbarger. Our float, "We're in Shape, Are You?" failed to place in the money. Our representative, Chlora Chapman, was crowned Queen of the Okaw Valley. Her escort was Ed Harshbarger, basketball captain. Our class play "Love is Too Much Trouble" was a great success. The Prom was our last big fling of our high school career. We shall always remember it for the fun we had. By graduation time, our class had shrunk to 32 members.

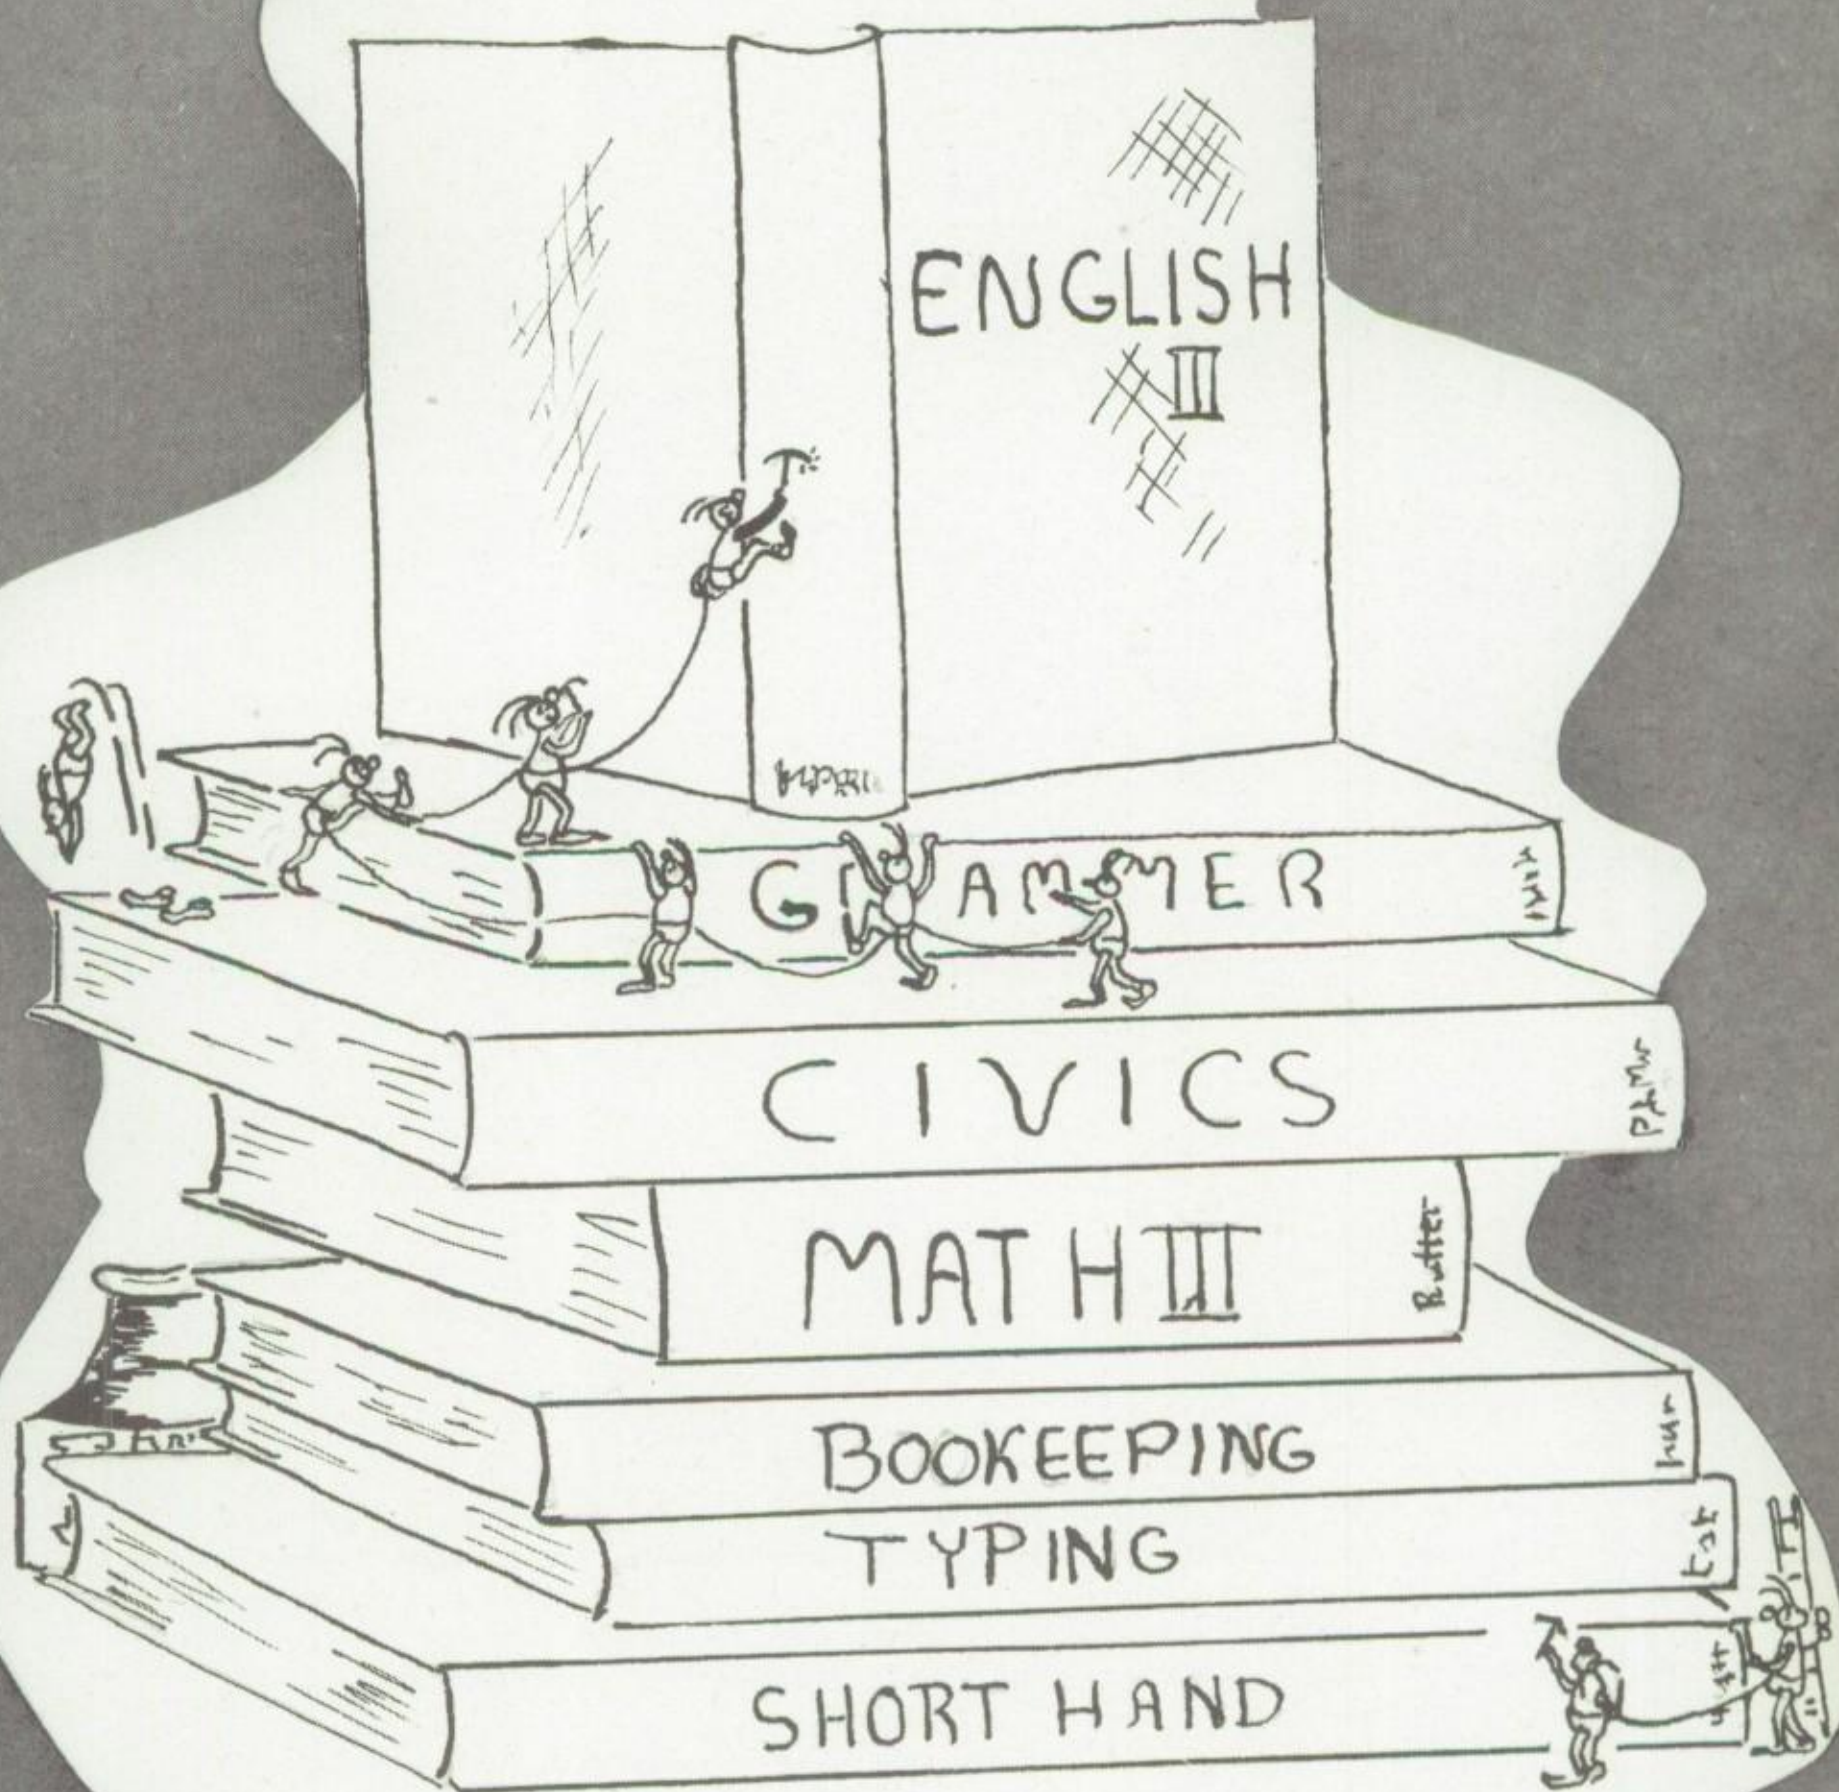

We don't know what the future holds for us, but no matter what we do, we can always look back to the wonderful, dearing experiences we received at A.H.S.

Class History

We, 54 "green freshmen", started our high school career in late August, 1957.

The spring before, we elected our class officers: Tony Thompson, President; Nancy Biggs, Vice-President; Toni Gilbert, Secretary; and Danny Pilson, Treasurer. Our student council members are Jane Blagg and Don Munson. Mrs. Rea, the librarian, and Mr. Reed, the industrial arts teacher, our class advisors.

Our Freshman initiation was September 30. We had a list of questions given to us several days before, which we were to answer.

We elected Nancy Biggs as our homecoming queen attendant. She chose Dennis Gross as her escort.

Our Float theme was "We'll Pot the Pansies". The theme was carried out by having a large flower pot on the truck and huge pansies growing out of it. Our float didn't win a prize but we had lots of fun working on it.

We are looking forward to our next high school year as silly sophomores.

During football season the Pep Club ran the team onto the field when it was possible.

The Pep Club sold "Purple Riders" license plates, and shakers to make extra money.

Buses were taken to the out of town games so that more of the school students could attend and back up the team. The Pep Club members wore white blouses or shirts to look uniform at the games.

ACTIVITIES

The F.H.A.'s motto this year has been "Future in Careers." To carry out the theme they have had: Mrs. Harriet Herrington to give them a talk on interior decorating; Mrs. Garnette Clark to give them a demonstration on cake decoration; Mrs. Fern Wightman gave a demonstration on hair fashions; Miss Carolyn Jokisch gave a talk on job opportunities for secretaries.

To help the financial side of F.H.A. the members sold "Wash and Dry" packets and sponge rubber clothes hanger covers.

To climax the year, the F.H.A. had the Annual Christmas Tea, Style Show, initiation of new members and installation of the officers for '58-'59. Mrs. Rose Blagg has been the F.H.A. Mother and Mrs. Lois Smith has been the Adviser for the past year,

FINIS

As we look out into the world, we see many new hopes and new dreams. We realize, that soon, we are to leave Arcola High School. As we step forward into the business or career world, we depend more on individualism. We shall have to apply everything we learned in high school to meet a world with great responsibilities. This new world will be what we make it. The future lies in our hands.
